SUMMARY

Passionate Full Stack Developer specializing in Python, Django, React.js, and MySQL with hands-on experience building scalable web applications, REST APIs, authentication systems, and SaaS platforms. Skilled in frontend development with React.js and backend development using Django REST Framework, with strong knowledge of database design, API integration, and responsive UI development.

TECHNICAL SKILLS

- Languages : Python, JavaScript, SQL, HTML5, CSS3
- Frontend : React js, Tailwind CSS, Axios, React Router, Responsive UI Design
- Backend : Django, Django REST Framework (DRF), REST APIs, JWT Authentication
- Database : MySQL, SQLite, PostgreSQL
- IDE : VS Code, Jupiter.py
- Version Control Systems : Git, GitHub
- Tools & Platforms : Postman, Client, npm, Chrome DevTools
- Familiar with SaaS application workflows.
- Good understanding of RESTful architecture.
- Strong problem-solving and debugging skills.

PROJECTS

1. Coaching Institute Management SaaS.

Tech Stack: Django, DRF, React, MySQL, Tailwind CSS.

- Built a multi-feature SaaS platform for coaching institutes with student, fee, and attendance management.
- Developed REST APIs using Django REST Framework.
- Implemented JWT-based authentication and role-based access control.
- Created a responsive admin dashboard using React and Tailwind CSS.
- Integrated fee tracking, due calculation, attendance reports, and student profile management.
- Optimized frontend API calls using Axios and React state management.

2. Full Stack Authentication System.

Tech Stack: Django, React, MySQL.

- Developed a secure authentication system with login, registration, and protected routes.
- Implemented token authentication and persistent login sessions.
- Built reusable frontend components and API integration flow.
- Added form validation and error handling for better UX.

EXPERIENCE

1. Full Stack Developer | Personal Projects

- Built and deployed multiple full stack web applications using Django and React.
- Worked on backend API development, frontend UI design, and database integration.
- Practiced scalable project structure.
- Focused on real-world SaaS application development and performance optimization.

2. Internship – Python Programming at Code Alpha (10 sept – 10 oct) - 2025

EDUCATION

- MCA | Biju Patnaik University of Technology, Rourkela, Odisha. Cgpa: 8.00 | (2023-2025)
- BSc Zoology | Utkal University, Bhubaneswar, Odisha. Cgpa: 8.16 | (2020-2023)

CERTIFICATIONS

- Cloud Computing - NPTEL - IIT Kharagpur
- Internet Of Things - NPTEL - IIT Kharagpur
- Management Information System - NPTEL - IIT Kharagpur
